

Mark & Allister

Multi-talented music maestros Mark Cunningham and Allister Meffan make for a contemporary and soulful two piece ensemble.

With nearly two decades of professional musical careers between them, together the pair produce a unique and captivating sound based on a combination of guitars, keys and harmonizing vocals.

Inspired by jazz chords, hip-hop beats and soulful bluesy riffs; they're experts at reading a crowd, setting an atmosphere and creating an unforgettable mood.

Playing all your favourite hits with their distinctive fusion filter, the duo have an extensive set list ranging from classic to modern toe tapping hits.

Nelson born Allister is one of the frontmen from successful kiwi band Alae. Alae's star is rising, and they enjoy significant airtime across The Edge, Radio Hauraki, More FM, The Hits and ZM; with music videos play-listed on Edge TV and MTV, both in New Zealand and Australia. Originally from Whangarei, Mark now has roots firmly set in Auckland. Mark has spent the last 12 years working the gigging circuit - performing live at weddings, corporate events and establishments across the North Island. Mark is a Chiropractor, father of three, and addicted to exercise.
