Instagram

The insanely talented Marc Moore is impossible to put in a box. Over the years, Marc has proven to be the ultimate trendsetter, wearing many hats along the way.

In 2005 he co-founded the edgy clothing label, Stolen Girlfriends Club. A move that has seen him go from strength to strength in the fashion industry.

When he's not working on Stolen, you'll find Marc DJing for all of the beautiful people (formerly of the renowned DJ duo, People of Paris). Marc has played at some impressive venues and festivals, including Rhythm and Vines, Red Bull events and Queenstown's Winter Festival.

Finding himself rising in the ranks of social media influence, Marc has been crowned the King of Cool. Entrepreneurial, hard working and a true creative.

Marc is an asset to any campaign he is involved in.
